To Trustee Chairman Fred Hanley -

This letter serves to inform you that we are requesting your official resignation from Trustees of Hubbard Township. Our community at large has been witness to your reckless and blatant disregard for our safety, and we no longer believe any of you to have the character necessary to make decisions that are in the best interest of our township or in line with the wishes of people you swore to serve.

We deserve supportive leaders who show genuine heart and have a strong moral compass. Your staunch refusal to partner with concerned citizens and hushed negotiations with the Sheriff's Department have shed light on your selfish agendas. The only thing you appear to want to serve is your own interests.

levy with full intention to support our police department, but that choice, even though voted for by majority, is being taken away from us through your deceptive practices.

It is grossly apparent that you do not have the best interest of our current and future residents in your mind or heart, and this violates the good faith of people who are the lifeblood of this community. Please heed this call, listen to what the community wants, and step down as Trustees immediately.

Respectfully,

To Trustee Rick Hernandez -

This letter serves to inform you that we are requesting your official resignation from Trustees of Hubbard Township. Our community at large has been witness to your reckless and blatant disregard for our safety, and we no longer believe any of you to have the character necessary to make decisions that are in the best interest of our township or in line with the wishes of people you swore to serve.

We deserve supportive leaders who show genuine heart and have a strong moral compass. Your staunch refusal to partner with concerned citizens and hushed negotiations with the Sheriff's Department have shed light on your selfish agendas. The only thing you appear to want to serve is your own interests.

We have repeatedly voiced our concerns regarding who will protect and serve our township, but these pleas have fallen on deaf ears. The community was not sufficiently notified about the financial situation or the plans to disband the police department, and blame has been put on citizens for not passing a levy that was potentially misleading in language and failed by a mere 16 votes. We banded together to pass the most recent levy with full intention to support our police department, but that choice, even though voted for by majority, is being taken away from us through your deceptive practices.

It is grossly apparent that you do not have the best interest of our current and future residents in your mind or heart, and this violates the good faith of people who are the lifeblood of this community. Please heed this call, listen to what the community wants, and step down as Trustees immediately.

To Chief Todd Coonce -

This letter serves to inform you that we are requesting your official resignation as the Chief of Hubbard Township Police.

The Law Enforcement Oath of Honor states that "I will never betray my badge, my integrity, my character or the public trust." ~~Not only has this community that you~~ swore to protect lost faith in you, but so has your department.

Just as was stated in the letters given to the trustees, we deserve a supportive leader who shows genuine heart. "Leadership is not about being in charge. It is about taking care of those in your charge." We no longer feel as though you have our best interests at heart. It appears to us as well as many people in this community that you are pursuing

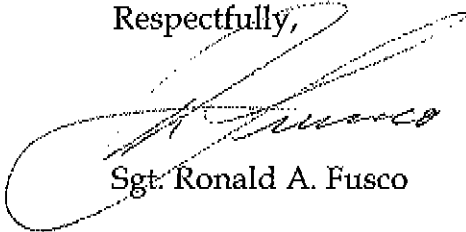

your own self-serving interests with little or no regard for those who are affected by your decisions.

There may have been a time when you were willing to do whatever was required to keep our Police Department intact, but that no longer appears to be the case. If your retirement gets us one step closer to saving this Department then your hesitation to do so speaks volumes.

Martin Luther King Jr. once said, "The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy." You have made it very clear that you **DO NOT** stand with us.

We deserve better, this Department deserves better and most importantly this community that we ALL swore to protect deserves better. Please heed this call and step down as Chief of Hubbard Township Police effective immediately.

Respectfully,

Sgt. Ronald A. Fusco
