Dear Lowellville Board of Education,

I hereby tender my resignation of my Superintendent's contract effective at the close of business on July 31, 2022 which is the date that my contract expires. My contract does allow me to resign earlier and in the alternative to resigning at the close of business on July 31, 2022, I will be resigning from my contract two weeks after I am employed by another school district and although that I do not need the Board's consent or approval to do the same, I am asking the Board, out of professional courtesy to consent and approve that earlier resignation.

Sincerely,

Dr. Eugene M. Thomas

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.
